International President Naresh Aggarwal

I grew up in a town called Batala, in Punjab—a state in the northwest of India. Like many young children I dreamed of conquering the world. However, the means to this end were more important to me. I wanted to lead through kindness.

I dreamed of changing not just Batala, but the entire world. In 1974, when I first stood in the presence of Lions. I knew I had aligned myself with an organization that could actually help me achieve my dream.

We Lions are one with the people of the world. In Sanskrit it is called **“Vasudhaiva Kutumbakam”** or **“World is my family.”**

The key to making the world one family, or one home, rests within us – the 1.4 million Lions who dedicate themselves to the needs of others. If each Lion serves at least 10 people per month, we will easily achieve our goal of serving 200 million each year—tripling our service output.

At the 2015 International Convention in Honolulu, I said, “Nothing is more powerful than an idea whose time has come.” Our most auspicious time—the new century has come.

District Governor Lary Garrison

District Governor Lary was born and raised in Livingston, MT. His father, Ben, was a railroad engineer for the Northern Pacific and Burlington Northern Santa Fe railroads. Lary’s mother (Onnalee) was a dental assistant for Dr. Crissey.

Lary has been married to wife, Judy, for 45 years as of December 2, 2017. Lary and Judy have four sons between them twelve grandchildren and five great grandchildren with two more on the way.

Lary first joined Lions in Redding, CA with the Enterprise Lions Club, later transferring to the Forest Grove Oregon Club, the Albany Oregon Lions, the Billings Lions, the Billings Heights Lions and now with the Huntley Project Lions.

In his twenty-five years as a Lion, Lary has served at most club officer levels, as well as zone and district offices. DG Lary also served as DG in the old MD37 from 2012-2013, Acting DG for District 37 for 2016-2017 and now as your DG for 2017-2018.

Lary is a Melvin Jones recipient, was recognized with 1 Presidential Medal for Leadership, has received 3 International Presidents Certificates of Appreciation, is a Life Member of the Montana Lions Sight & Hearing Foundation and has a PID Tom Lehman Fellowship, has completed the Bachelors and Masters programs from Lions Clubs University and is a Guiding Lion.

Judy is also a Melvin Jones recipient and has a PID Gary Tschache Fellowship from the Montana Lions Sight & Hearing Foundation.

As we move into our second hundred years of Lionism, DG Lary looks forward to working with you, your clubs, zones, regions and District 37, and International to continue our past successes as well as developing new ones to meet our service goals as Lions.

LIONS INVOCATION

Lord, as we Lions gather here
we pause to offer up this prayer.
Bless now this food that we partake
and every effort that we make
to build the towns in which we live,
and put it in our hearts to give
to worthy causes, bless the blind
and all we do to serve mankind
be with us till we meet again
and bless this land, and our families.

GRACE

Heavenly Father, we bless and praise
your name for giving us fellowship
friends and all that we need.
Make us ever mindful of the needs of
others and allow us, through this great
organization, to provide a needed
service to our community, that we may
extend our own good fortune to those
less fortunate than ourselves.
Bless this food to our use, and us to thy
service, that we may bring honour and
glory to thy holy name.

LIONS PRAYER

Where Lions dwell, be present Lord.
Weld all our hearts to one accord.
To do Thy will, Lord make us strong,
to aid the weak, to right the wrong.
Bless this food to our use, and us to thy
service, that we may bring honour and
glory to thy holy name.

LIONS TOAST

Whilst standing, face your fellow Lion in front, beside, or behind you. Raise your glass high, then low, then "click" glasses, repeating the words:

**NOT ABOVE YOU...
NOT BENEATH YOU...
BUT WITH YOU.**

LIONS PLEDGE OF ALLEGIANCE

I pledge allegiance to my country and to the cause of peace throughout the world.

I believe in the principles of Lionism as contained in the Lions Code of Ethics.

I am proud to be a Lion dedicated to the service of others.

LIONS CREED

He achieves success who lives well, laughs often and loves much;
Who gains the respect of intelligent men and the love of little children;
Who fills his niche, who accomplishes his task, who leaves the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul;
Who never lacks appreciation of earth's beauty or fails to express it;
Who always sees the best in others and gives the best that he has;
Whose life is an inspiration, whose memory is a benediction.
He is a Lion.

LIONS CODE OF ETHICS

- TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- TO REMEMBER** that in building up my business it is not necessary to tear down another; to be loyal to my clients or customers; and true to myself.
- WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- TO HOLD** friendships as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given
- ALWAYS** bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely my time, labor, and means.
- TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- TO BE CAREFUL** with my criticism and liberal with my praise, to build up and not destroy.

LIONS INTERNATIONAL OBJECTIVES

To create and foster a spirit of understanding among the peoples of the world.

To promote the principles of good government and good citizenship.

To take an active interest in the civic, cultural, social, and moral welfare of the community.

To unite the Clubs in the bond of friendship, good fellowship, and mutual understanding.

To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by Club members.

To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works, and private endeavors.

PROTOCOL FOR DISTRICT GOVERNOR'S OFFICIAL VISIT

To assist Clubs in observing proper protocol, the following guidelines are being provided:

Delegate a member, or members, to meet the District Governor upon arrival and see that he/she is properly entertained prior to call to order.

Be sure that the place of honor, next to the President, on the right, at the head table, is reserved for the District Governor. The Zone Chairman, if accompanying, should be seated to the right of the Governor.

Advise your Program Chairman in advance of the Governor's visit to avoid a conflicting program. The District Governor is the program.

The accepted form of introduction is for the Club President to introduce the Zone Chairman, who will, in turn, introduce the District Governor.

Advise the Tailtwister to go easy on the Governor. He/She is usually a good sport, but Tailtwisters, at times, get carried away, making things uncomfortable.

Remind members, at meetings preceding his visit, that his/her Office demands respect; that they should rise and salute the Governor with applause when he/she is introduced; and further, that any member addressing the Governor should stand when doing so.

Remember that he/she would like to meet with the Club Officers and Directors either prior or following your regular meeting. Try to have 100% representation.

Do not hesitate to discuss Club programs with your District Governor. It is his/her job to help solve problems and give new ideas to Clubs that have run out of ideas. Maybe your Club has ideas that will help others. Make this meeting with your District Governor a real "down to earth get-together."
