GREAT FALLS LIONS CLUBS Meeting Vision Needs Through Technology

The Great Falls Lions Clubs in cooperation with the Montana School for Deaf and Blind Children and as a District 37 endorsed project, have embarked on a fundraising campaign. The campaign will raise approximated \$150,000.00 to help purchase 50 low vision closed captioned CCTV's. The machines will help students with vision problems become more independent in elementary school and will give them a better chance to keep up with their sighted peers.

The technology will empower the students by allowing them to read any book not just large print editions. The CCTV units can be used to support education in math, science, reading, language arts, and life skills. The devices are life changing.

For more information and to provide financial support for this great project contact: PDG Jack Beckman; 301 Skyline Drive NE; Great Falls, 59404; Home: 406-453-6390; Cell: 406-231-2424; jbeckman@bresnan.net
