LIONS INVOCATION

Lord, as we Lions gather here
we pause to offer up this prayer.
Bless now this food that we partake
and every effort that we make
to build the towns in which we live,
and put it in our hearts to give
to worthy causes, bless the blind
and all we do to serve mankind
be with us till we meet again
and bless this land, and our families.

GRACE

Heavenly Father, we bless and praise
your name for giving us fellowship
friends and all that we need.
Make us ever mindful of the needs of
others and allow us, through this great
organization, to provide a needed
service to our community, that we may
extend our own good fortune to those
less fortunate than ourselves.
Bless this food to our use, and us to thy
service, that we may bring honour and
glory to thy holy name.

LIONS PRAYER

Where Lions dwell, be present Lord.
Weld all our hearts to one accord.
To do Thy will, Lord make us strong,
to aid the weak, to right the wrong.
Bless this food to our use, and us to thy
service, that we may bring honour and
glory to thy holy name.

LIONS TOAST

Whilst standing, face your fellow Lion in front, beside, or behind you. Raise your glass high, then low, then "click" glasses, repeating the words:

**NOT ABOVE YOU...
NOT BENEATH YOU...
BUT WITH YOU.**

LIONS PLEDGE OF ALLEGIANCE

I pledge allegiance to my country and to
the cause of peace throughout the world.

I believe in the principles of Lionism as
contained in the Lions Code of Ethics.

I am proud to be a Lion dedicated to the service of others.

LIONS CREED

He achieves success who lives well, laughs often and loves much;
Who gains the respect of intelligent men and the love of little children;
Who fills his niche, who accomplishes his task, who leaves the world better than he
found it, whether by an improved poppy, a perfect poem, or a rescued soul;
Who never lacks appreciation of earth's beauty or fails to express it;
Who always sees the best in others and gives the best that he has;
Whose life is an inspiration, whose memory is a benediction.
He is a Lion.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another; to be loyal to my clients or customers; and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendships as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given

ALWAYS bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely my time, labor, and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not destroy.

LIONS INTERNATIONAL OBJECTIVES

To create and foster a spirit of understanding among the peoples of the world.

To promote the principles of good government and good citizenship.

To take an active interest in the civic, cultural, social, and moral welfare of the community.

To unite the Clubs in the bond of friendship, good fellowship, and mutual understanding.

To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by Club members.

To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works, and private endeavors.

PROTOCOL FOR DISTRICT GOVERNOR'S OFFICIAL VISIT

To assist Clubs in observing proper protocol, the following guidelines are being provided:

Delegate a member, or members, to meet the District Governor upon arrival and see that he/she is properly entertained prior to call to order.

Be sure that the place of honor, next to the President, on the right, at the head table, is reserved for the District Governor. The Zone Chairman, if accompanying, should be seated to the right of the Governor.

Advise your Program Chairman in advance of the Governor's visit to avoid a conflicting program. The District Governor is the program.

The accepted form of introduction is for the Club President to introduce the Zone Chairman, who will, in turn, introduce the District Governor.

Advise the Tailtwister to go easy on the Governor. He/She is usually a good sport, but Tailtwisters, at times, get carried away, making things uncomfortable.

Remind members, at meetings preceding his visit, that his/her Office demands respect; that they should rise and salute the Governor with applause when he/she is introduced; and further, that any member addressing the Governor should stand when doing so.

Remember that he/she would like to meet with the Club Officers and Directors either prior or following your regular meeting. Try to have 100% representation.

Do not hesitate to discuss Club programs with your District Governor. It is his/her job to help solve problems and give new ideas to Clubs that have run out of ideas. Maybe your Club has ideas that will help others. Make this meeting with your District Governor a real "down to earth get-together."
